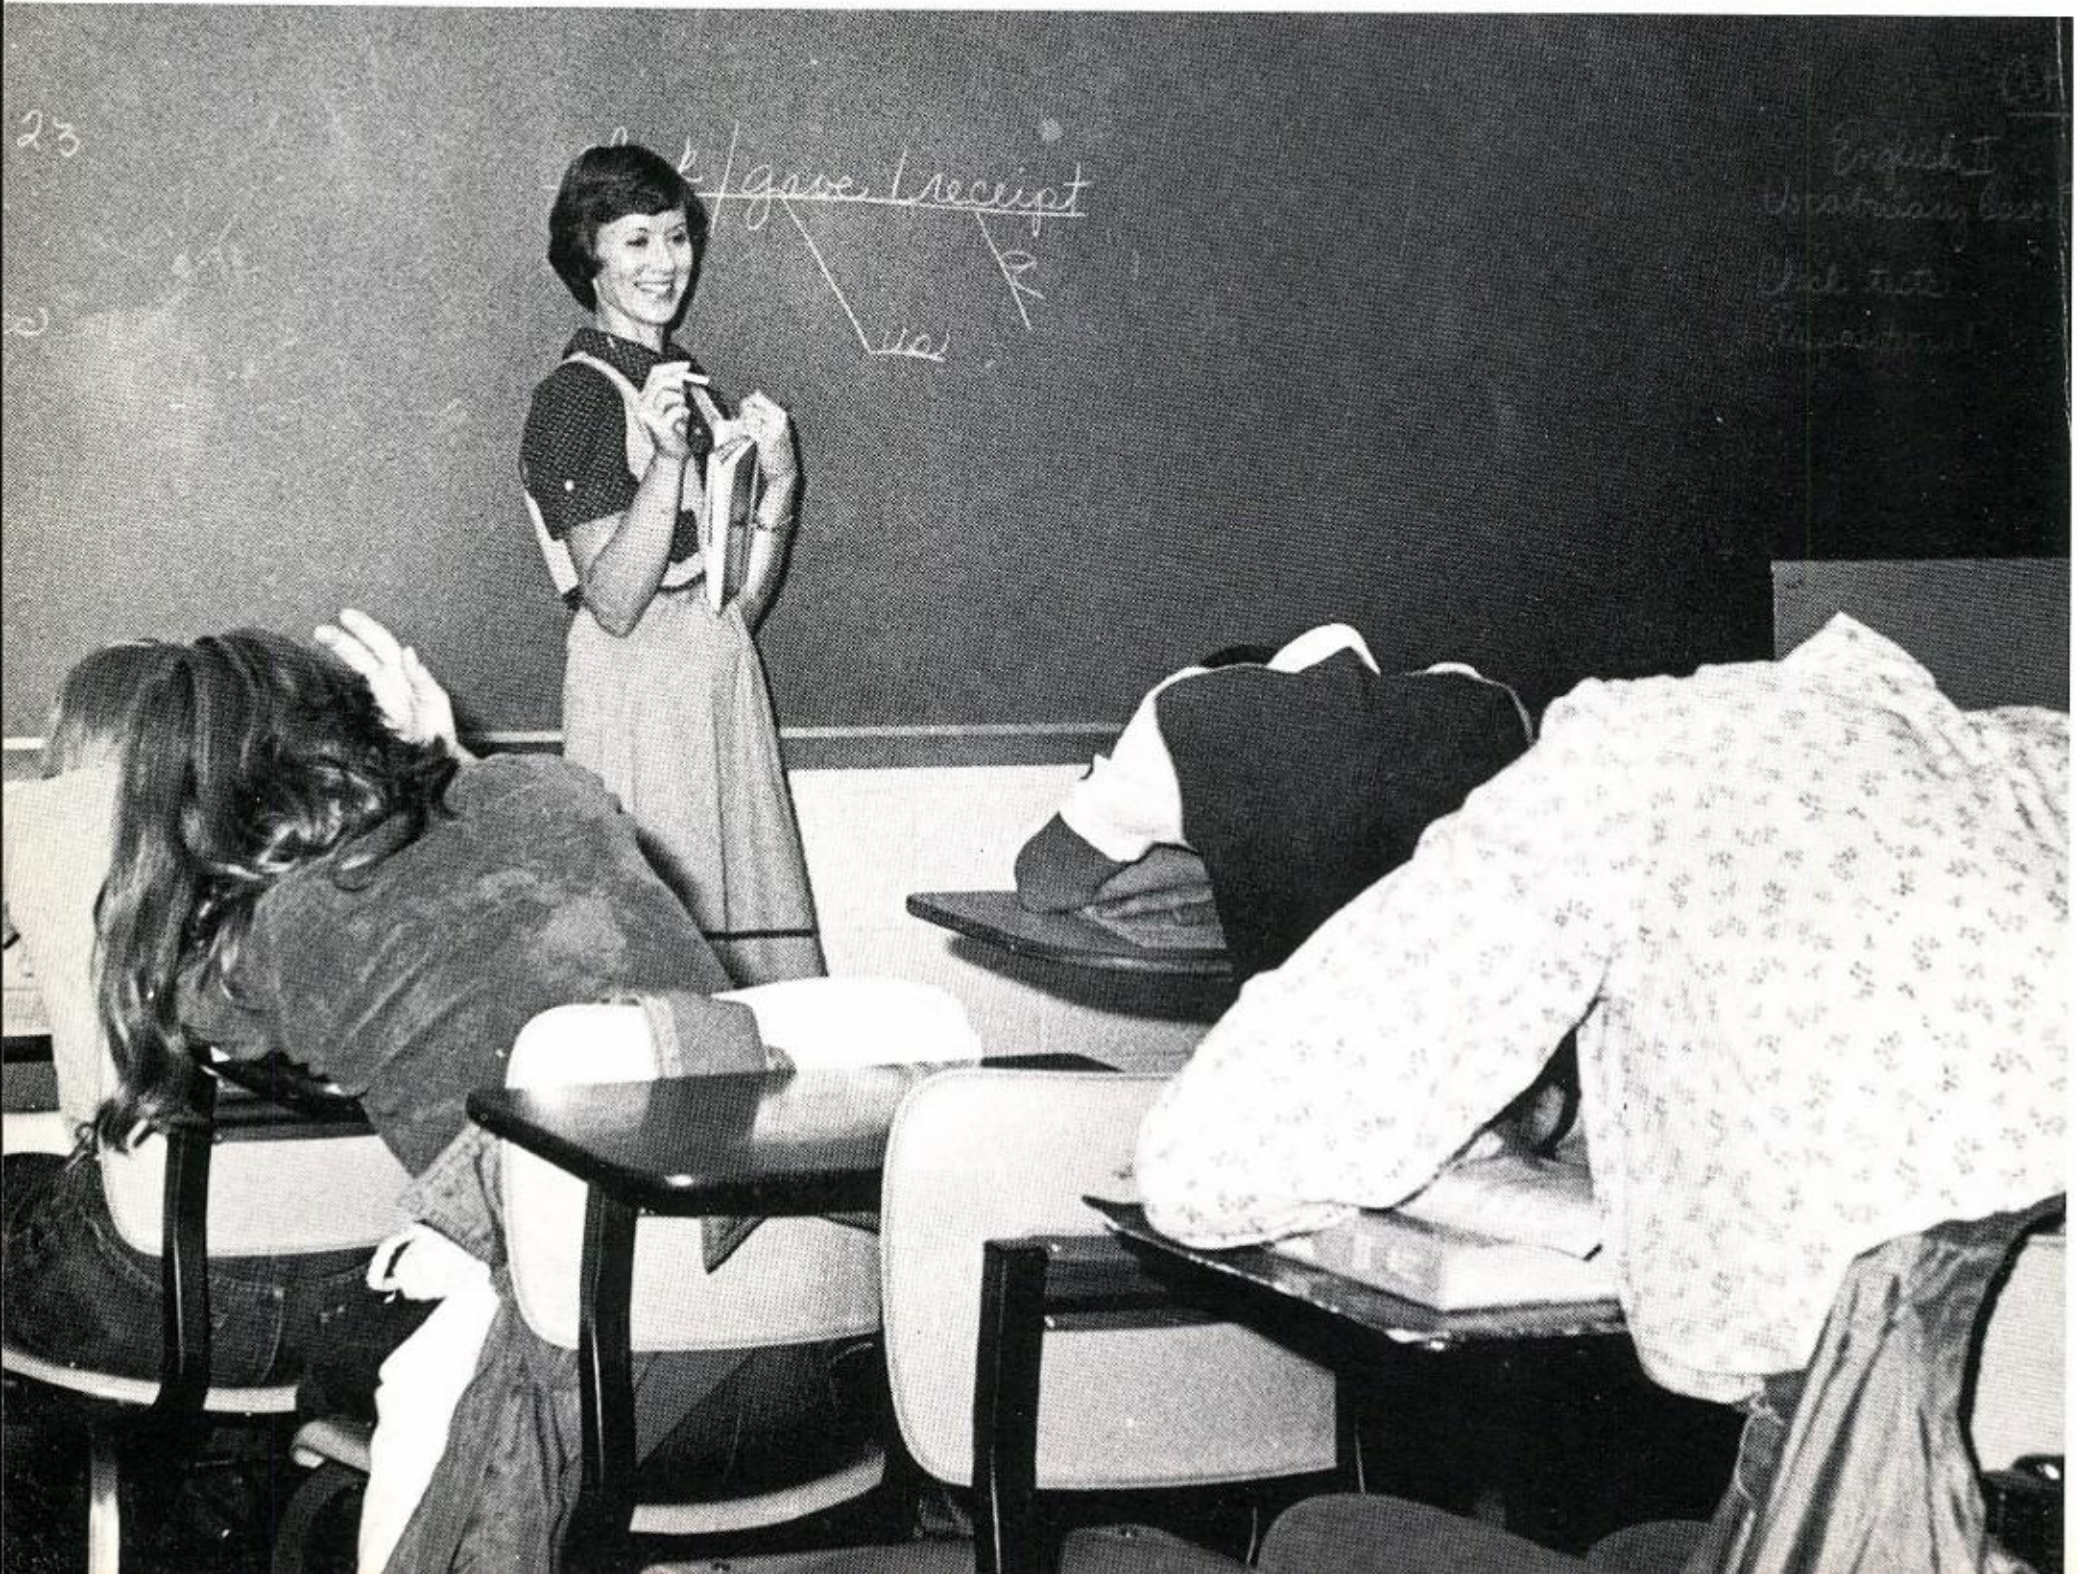
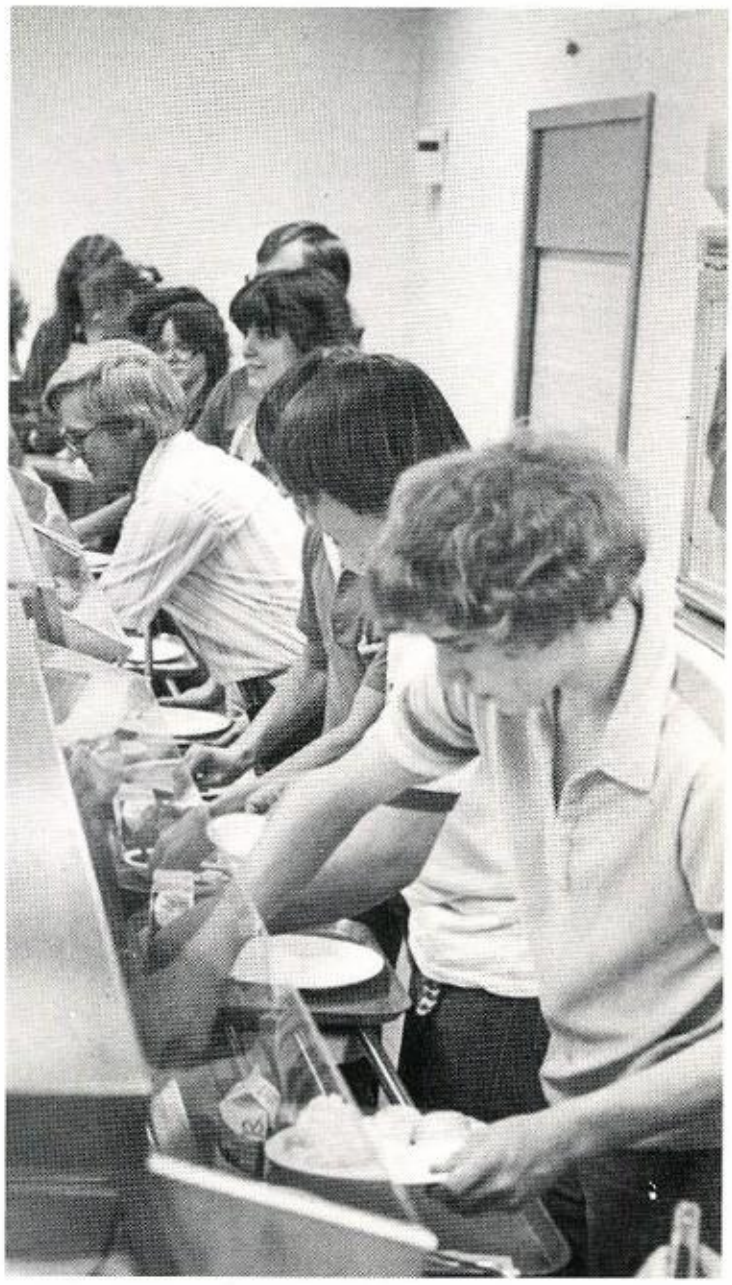
There's a
Time to
Work.





W.H.S. students were welcomed back to school by the sound of jackhammers, cranes, diesel engines, and the smell of tar. This was all part of the construction of Phase II of the high school.

Several changes were: The new lunch line was served buffet style with a variety of choices available to the students; the federal government took the "fizz" out of our coke machines, and many new teachers greeted the students.

There's a
Time To
Play.

We Dedicate This Book:

— to all the teachers for enabling you to read it,

— to the administration for guiding you,

— to your parents for understanding you,

— to the townspeople for supporting you,

— but most of all to *you* the student.

Girls Rule
Student Government

Student Council jumped into the school year with an all-school picnic at Crystal Beach. One activity followed another: Howdy Week, Overall Day, Hat Day, Sunglasses Day, Cowboy Day ... and finally, Homecoming! Student Council members worked for a month writing speeches and contacting previous Football Queens. The excitement was contagious as the day drew near, and we were not disappointed. The parade had 30 entries and was bigger than in the past years. A few partial seniors thought it was the best homecoming ever! To top it off, we won the football game!!

After that, there was the blood-mobile, powderpuff football, and intramural basketball.

Student Council was more active and involved this year than in previous years as more members attended the regular meetings, and a lot more of the student body participated in the activities.

No horsing around in the halls!

Cheerleaders Inspire School Spirit!

The Varsity Cheerleaders attended NCA summer camp and received a superior rating. They also got to bring home the coveted Coca-Cola Spirit Award which was the first time W.H.S. had won it. Karen Dauphin, one of the head cheerleaders stated, "Our major goal was to get the spirit going again in Woodward High School. We have really tried hard and hope we have achieved it."

Along with the eight Varsity Cheerleaders, there were four Jr. Varsity Cheerleaders that promoted spirit at the Jr. Varsity games. They also attended NCA summer camp and received three outstanding awards and a superior at final evaluation. Congratulations, girls, for a job well done.

Ghosts in the cemetery? The Spanish Club is convinced there are such things as "ghosts" as they even walked beside them the night of their Halloween Party which was known as "The Day of the Dead".

Halloween was celebrated in Spanish style in the Commons Area, and then, ghost stories and games were played in the cemetery until 1:30 a.m.

Serving a chili supper before the fall play and selling cakes at all the home football games were just a few of the many projects the Spanish Club held for fund raising.

Another Spanish Club project was changing the Commons Area into a market place for a spring mercado, "fair". Mexican food and souvenirs were sold, and films were shown.

A guest speaker, awards, skits, and of course, a Mexican meal were all part of the Spanish Club's annual awards banquet.

Being Taught To Teach

FTA started the year off right by welcoming the new teachers with a bright red apple the first day of school.

Mrs. Gilbert, Cheri McGee, and Fran Parker attended the fall convention at Central State. Election of officers and mini-seminars were held in preparation for the individual meetings throughout the year. FTA members also attended the spring convention at OSU.

Members received first-hand experience when they became teachers for a day. This gave them a chance to work with the age group they were interested in teaching and experience in handling classroom situations.

The year was ended with a spring banquet where they honored their favorite high school teacher of the year with a plaque.

The Future Secretaries Association held a formal candlelight installation of officers and new members which was hosted by the National Secretaries Association. Their meetings consisted of a panel discussion made up of business people. Sonja Peach, Home Economist, presented a demonstration of how to dress and make up for the office.

During the spring, the members visited various business offices to learn office technique and become familiar with the latest equipment. To wind up the school year, they held a picnic for potential new members.

An ice-cream social was held at Crystal Beach Park to welcome new FHA members at the beginning of the school year. They were kept active as they hosted a children's party each month to treat underprivileged children to refreshments and activities. They collected door-to-door for the United Fund and served refreshments for the Blood Mobile as other service projects.

The District Rally was held in the Commons Area and all ten schools in the area participated. It was a special time since they were celebrating the group's thirty-fifth anniversary. These homemakers are an energetic group and are outstanding in their special field.

The Woodward High School Drama Club's purpose is to encourage the advancement of standards of excellence in the dramatic arts.

The Drama Club produced a fall production, a contest one-act play, and a Children's Theatre which was held in the spring. The play selected for this year's fall production was Neil Simon's comedy, "God's Favorite."

The Drama Club also served as the source of revenue for the Speech and Debate Team for their entry fees to tournaments.

The Speech and Debate Team attended five tournaments where members competed for one of the top three slots in 11 different events. These top three placings then qualified for the Regional Tournament where the top four placings of that competition advanced on to the State Tournament.

Miss Woodward Pageant

The Student Council hosted the Miss Woodward Pageant which saw more girls participating than in previous years. The talent division showed a wide range of variety including a pantomime, a concerto on the violin, and many others. Miss Woodward, Becky Dorrough, represented Woodward High School in the annual Miss Cinderella Pageant at NWOSU.

The first runner-up, Karen Dauphin, represented WHS in the Miss Aggie Princess Pageant at Panhandle State University. Mrs. Ruth Ann Lingenfelter and Mrs. Karen Beierschmitt need to be commended for the success of the pageant as the girls performed before a full house providing an evening of delightful entertainment.

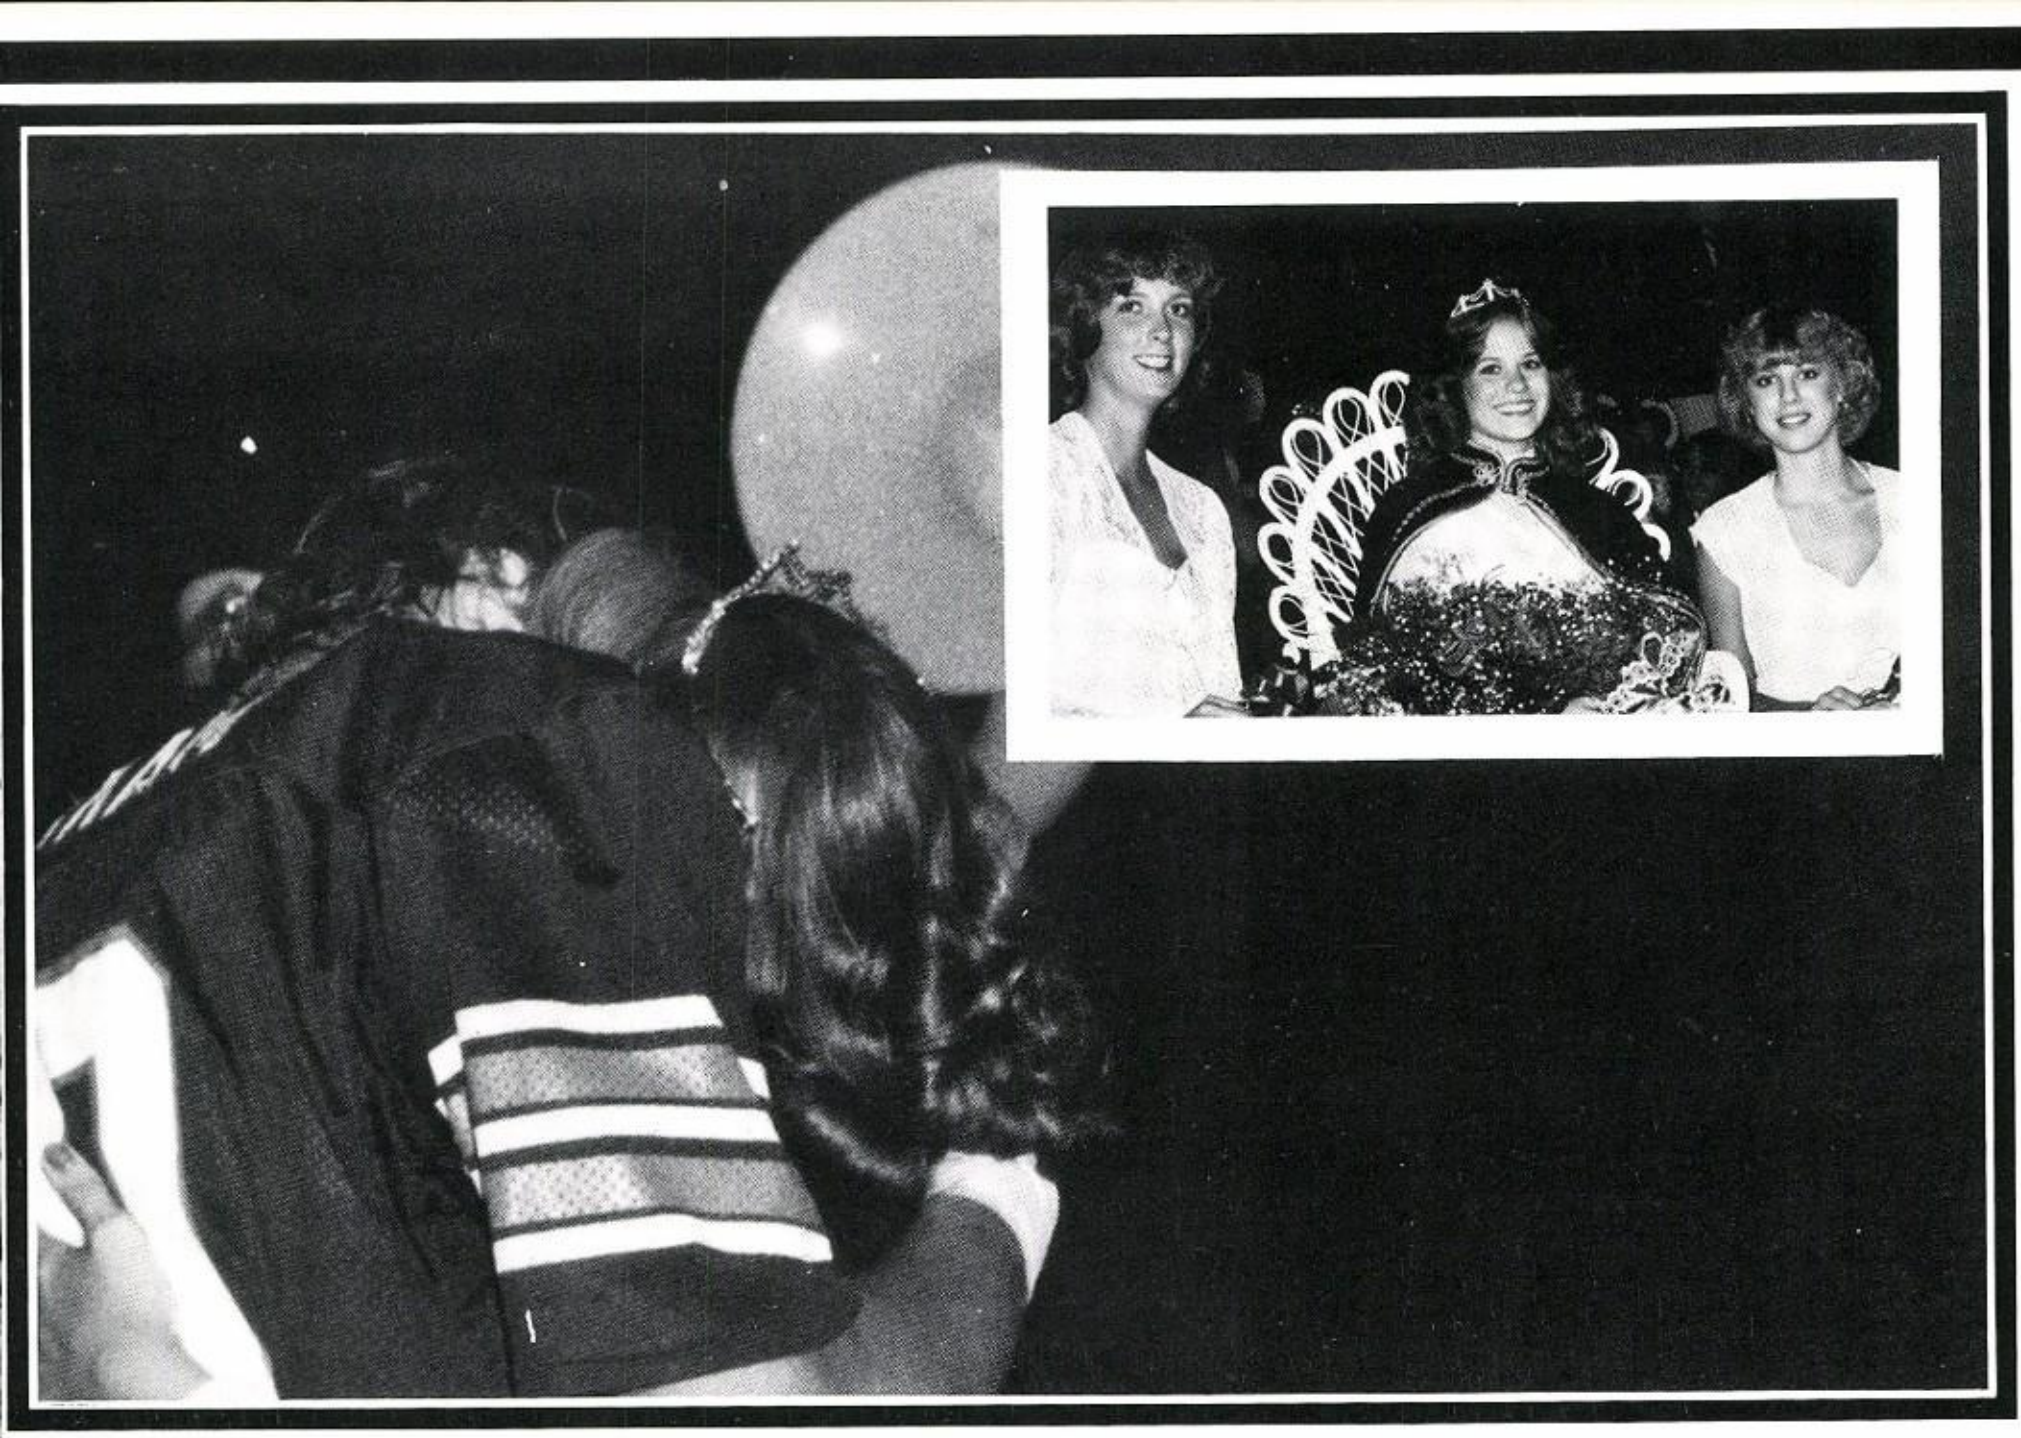
THE MAGIC OF HOMECOMING

Rita Adams and Chandler Mead



Cody George Sander, crown bearer and Julee Haines, flower girl.

During the week of homecoming, everyone met at the fair buildings to work on their class floats. The junior class float placed 1st with its slogan, "Home on the Rangers." Friday, October 10, the Student Council sponsored an assembly honoring previous homecoming queens. Those in attendance were Fern Callaway Bell, 1935; Velma Curb Matthews, 1919; Florene Groom Rohman, 1931; Helen Madamba Mossman, 1951; Coralie Williams Laughlin, 1950; Pat Boatman Darcy, 1952; Marilyn Sheets Johnston, 1953; Linnie Hoffert Livingston, 1954; Sharon McNabb Ruble, 1955. The cheerleaders led the enthusiastic student body in a pep assembly that afternoon before the parade. That night, the Boomers beat Perryton in a hard fought contest by a close score of 14-13. At halftime, Sherry Wilcoxen was crowned Homecoming Queen. Her attendants were Rita Adams and Shellee Pearson. The escorts were Freddie Graham, Chandler Mead, and Robert Brennan. Assisting Freddie Graham with the coronation was Julee Haines, flower girl, and Cody George Sander, crown bearer. For the spectators and for those involved in homecoming, the night was special; it was *MAGIC*.

Basketball Homecoming

For Shelby Ruble, daughter of Dr. and Mrs. Jim Ruble, Friday the 13th turned out to be a very lucky day. She was crowned this year's Basketball Homecoming Queen. Her attendants were Miss Karen Dauphin, daughter of Mr. and Mrs. Don Dauphin, and Miss Bana Steuart, daughter of Mr. and Mrs. Bill Steuart. Karen was escorted by Tim Myers and Doug Eccles. Bana's escorts were Johnny Dunn and Steve Heckart. Allen Coffey and Danny Parsons escorted Shelby. Assisting Allen with the honors of crowning Shelby were Tara Bowen, flower girl, and Sean Weibling, crown bearer.

Clothes Carriage

This year, the Woodward Boomer football team developed a winning attitude that carried them to the first round of the 3-A State Playoffs. A new coaching staff and a multi-formation offense helped create the winning attitude. These, combined with an awesome defense, kept them in several close battles. Looking at the final 5-6 record doesn't tell you how many close games the Boomers struggled through. Two games in a row, the guys fell 7-6; then, two short weeks later won a heart-stopping 14-13 homecoming. They kept the fans and the students on the edge of their seats all season. The BOOMERS were a tough team and have a lot to be proud of.

This was the last year for sixteen senior basketball players. The last bus trips with the music blaring, the last after school practices, and the last times to play before screaming crowds are over. On the bright side, there is no more running bleachers.

Ten senior boys made it tough for underclassmen to get a suit, but they worked hard at what they did. Dress was a main feature on all trips. The guys looked debonair and were always topped off with hats.

Six senior girls did their best to keep the sophomores in line. Besides the players, three more senior managers graced the trips and let everyone know that Sr.'s are no. 1.

The teams will miss this group next year, not only because of their athletic abilities, but also because of the fun and excitement that they created when one or more were around.

Mr. and Miss Boomer

Karen Dauphin, daughter of Mr. and Mrs. Don Dauphin, was chosen Miss Boomer by the W.H.S. student body. Her favorite subjects were Algebra II and Physiology. Also, she enjoys dancing, snow skiing, and water skiing. She plans to attend O.S.U. next fall. She feels her most rewarding experience in high school was being a member of the basketball team as it taught her how to get along with others and work together as a unit rather than as an individual.

Steve Heckart, the son of Mr. and Mrs. Don Heckart, was chosen Mr. Boomer for the 1980-81 school year. He lettered all three years in basketball and baseball and was a member of FCA. Steve plans to go to college at O.U. and major in Industrial Arts. His most rewarding experience in high school was winning the Baseball Regionals in 1979.

THE GUIDING LIGHT

Administration

SUPERINTENDENT'S MESSAGE

To All the Students of WHS:

This year's senior class will always be remembered as the first graduating class to attend your new high school facility all three years. No longer will it be necessary to use the terms "New High School" and "Old High School" since Phase II of our building project has been completed during the 1980-81 school year. Future classes will not be inconvenienced by being shuttled back and forth and should certainly benefit because of the entire program of studies being offered at one site.

With the completion of all the athletic, shop, vocational, and fine arts structures, Woodward now has one of the finest high school plants in the State of Oklahoma. Of course, new buildings do not automatically result in an excellent learning program. We believe, however, that your new environment certainly enhances the possibility of such.

Our goal is to offer the students of Woodward high school the best educational opportunities possible. Quality education requires a combination of excellent facilities, materials, equipment and instruction. Even though the Woodward community can supply these things, it is still up to you as a student to realize the importance of a quality education and take advantage of the opportunities afforded you. As we enter the decade of the 1980's, may you continue to strive for excellence and the term,"Boomer Pride," become a reality to each of you in a true sense.

– Lloyd L. Kutch

Dr. Lloyd L. Kutch, Superintendent

Dr. John P. Kessinger, Assistant Superintendent

Mr. John Swafford, Administrative Assistant

School Board

It is to these individuals that the task of guiding our school has been given; such dedication infinitely benefits the whole of Woodward School System.

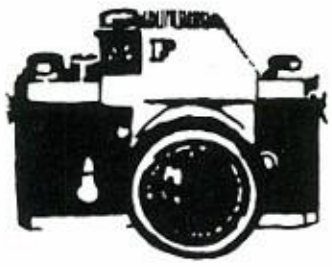
Bouncin' and Behavin'

So, now what kind of trouble are you mixing up?

The style's changed that much, Rita?

Candid a m e r a



Short people got no reason . . .

Helping build floats is hard work!

When you're with Ladon, the hours always drag by slowly.

You dirty rat . . .

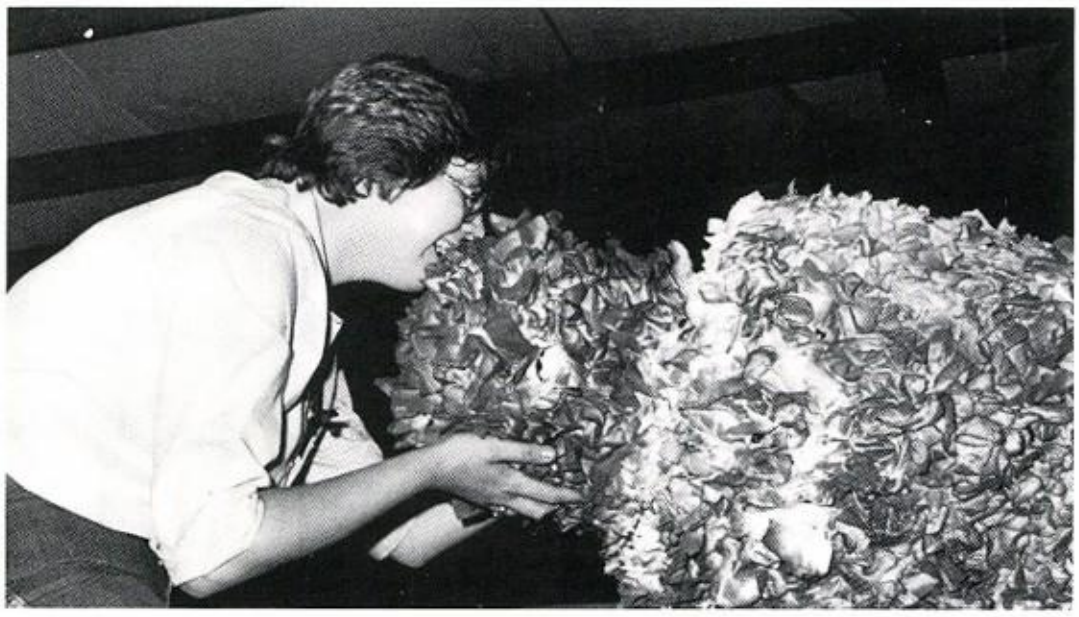
Relaxin' on the range.

"Can you believe this guy?"

Some of this cooking is pretty hard to choke down.

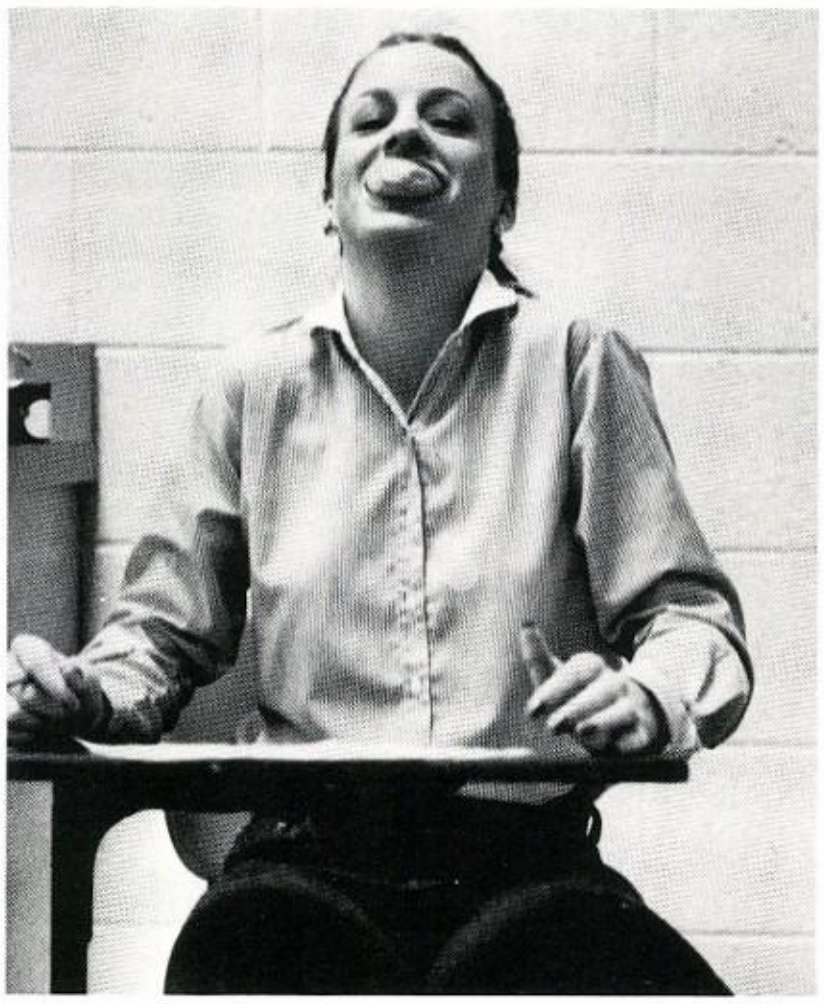
"I think I'm going to be sick!"

"I think I got a little stiff over the weekend."



They plump when ya cook em!

Penrod, the Physiology Flasher.



"Why were you chewing eighteen pieces of gum, Beth?"

That's not going up in the hall tomorrow, is it?

It must be love.
